LITIGATION

Case No. 5:18-cv-05062-EJD

**DECLARATION OF CAMERON R.
AZARI, ESQ., REGARDING
IMPLEMENTATION OF
SETTLEMENT NOTICE PLAN AND
NOTICES**

I, Cameron R. Azari, Esq., declare as follows:

1. My name is Cameron R. Azari, Esq. I have personal knowledge of the matters set forth herein, and I believe them to be true and correct.

2. I am a nationally recognized expert in the field of legal notice, and I have served as an expert in hundreds of federal and state cases involving class action notice plans.

3. I am a Senior Vice President with Epiq Class Action & Claims Solutions, Inc. (“Epiq”) and the Director of Legal Notice for Hilsoft Notifications (“Hilsoft”); a firm that specializes in designing, developing, analyzing and implementing large-scale legal notification plans. Hilsoft is a business unit of Epiq.

4. The facts in this declaration are based on my personal knowledge, as well as information provided to me by my colleagues in the ordinary course of my business.

OVERVIEW

5. This declaration describes the implementation of the Settlement Notice Plan (“Notice Plan”) and Notices (“Notice” or “Notices”) for *In re: Google Location History Litigation*, Case No. 5:18-cv-05062 in the United States District Court for the Northern District of California. I previously executed my *Declaration of Cameron R. Azari, Esq. Regarding Settlement Notice Plan and Notices*, on August 10, 2023, which described the Notice Plan, detailed Hilsoft’s class action notice experience, and attached Hilsoft’s curriculum vitae. I also provided my educational and professional experience relating to class actions and my ability to render opinions on overall adequacy of notice programs.

NOTICE PLANNING METHODOLOGY

6. The Notice Plan as designed and implemented reached the greatest practicable number of Settlement Class Members, reaching approximately 80% of the Settlement Class with digital/internet notice and social media. The reach was enhanced further by internet sponsored search listings, an informational release, and a Settlement Website, which were not included in the reach calculation. In my experience, the reach of the Notice Plan was consistent with other court-approved notice plans, was the best notice practicable under the circumstances of this case, and satisfied the requirements of due process, including its “desire to actually inform” requirement.¹

7. The Notice of Proposed Settlement of Class Action (“Class Notice”) is available on

¹ *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”); *see also In re Hyundai & Kia Fuel Econ. Litig.*, 926 F.3d 539, 567 (9th Cir. 2019) (“To satisfy Rule 23(e)(1), settlement notices must ‘present information about a proposed settlement neutrally, simply, and understandably.’ ‘Notice is satisfactory if it generally describes the terms of the settlement in sufficient detail to alert those with adverse viewpoints to investigate and to come forward and be heard.’”) (citations omitted); N.D. Cal. Procedural Guidance for Class Action Settlements, Preliminary Approval (3) (articulating best practices and procedures for class notice).

the Settlement Website to ensure Settlement Class Members have access to detailed information regarding their legal rights.

NOTICE PLAN DETAIL

8. On November 7, 2023, the Court approved the Notice Plan and appointed Epiq as the Settlement Administrator in the *Order Granting Preliminary Approval of Class Action Settlement* (“Preliminary Approval Order”). In the Preliminary Approval Order, the Court certified the “Settlement Class” as following:

All natural persons residing in the United States who used one or more mobile devices and whose Location Information was stored by Google while “Location History” was disabled at any time during the Class Period (January 1, 2014 through the Notice Date).

Excluded from the Settlement Class are: (a) all persons who are directors, officers, employees, or agents of Defendant or its subsidiaries and affiliated companies; (b) the Court, the Court’s immediate family, and Court staff, as well as any appellate court to which this matter is ever assigned, and its immediate family and staff; and (c) eligible persons who submit a timely and valid Request for Exclusion from the Settlement Class.

CAFA NOTICE

9. On September 22, 2023, Epiq sent 57 CAFA Notice Packages (“CAFA Notice”). The CAFA Notice was mailed via United States Postal Service (“USPS”) Certified Mail to 55 officials (the Attorneys General of 49 states, the District of Columbia, and the United States Territories). Per the direction of the Office of the Nevada Attorney General, the CAFA Notice was sent to the Nevada Attorney General electronically via email. The CAFA Notice was also sent via United Parcel Service (“UPS”) to the Attorney General of the United States. Details regarding the CAFA Notice mailing are provided in the *Declaration of Kyle S. Bingham on Implementation of CAFA Notice*, dated September 27, 2023, which is included as **Attachment 1**.

NOTICE PLAN IMPLEMENTATION

Media Notice Summary

10. The Notice Plan included various forms of notice including a digital/internet notice and social media, internet sponsored search listings, and an informational release. The combined

measurable reach of the Notice Plan is 80% of Adults, Aged 18+ in the United States with a mobile device, an average of 5.0 times each. Knowing that some mobile device users are underage, the Notice Plan reach was also measured against Parents, Aged 18+ in the United States. The combined measurable reach to Parents, Aged 18+ in the United States is 82%. The reach was enhanced further by internet sponsored search listings, an informational release, and a Settlement Website, which are not included in the reach calculations. “Reach” refers to the estimated percentage of the unduplicated audience exposed to the notice. “Frequency,” in contrast, refers to how many times, on average, each member of the target audience had the opportunity to view the notice.

Internet Digital Notice Campaign

11. Internet advertising has become a standard component in legal notice programs. The internet has proven to be an efficient and cost-effective method to target class members as part of providing notice of a class action settlement. According to MRI-Simmons data, 97% of all adults in the United States with a mobile device are online and 86% of all adults in the United States with a mobile device use social media.²

12. The Notice Plan included *Gmail Text Ads* also known as *Gmail Inbox Ads*, which are text-based ads that appear at the top of a user’s email inbox.³ *Gmail Text Ads* allow for direct access to individuals while they are actively checking their email and consist of a descriptive sentence that when clicked directed individuals to the Settlement Website.

13. The Notice Plan also included targeted digital advertising on the selected advertising networks *Google Display Network* and the *Yahoo Audience Network*, which together represent thousands of digital properties across all major content categories. Digital Notices were targeted to selected target audiences and were designed to encourage participation by Settlement Class Members—by linking directly to the Settlement Website, allowing visitors easy access to relevant information and documents. Consistent with best practices, the Digital Notices used language from

² MRI-Simmons 2023 Survey of the American Consumer®.

³ Note: Defendant Google had no role or influence in the selection of any of the digital-advertising services included in the Notice Plan.

the Class Notice, allowing users to identify themselves as potential Settlement Class Members. Digital Notices were in both English and Spanish.

14. The Digital Notices were also placed on *Facebook, Instagram, Spotify, and YouTube*.

15. *Facebook* is the leading social networking site in the United States with 175 million users and *Instagram* has 143 million active users in the United States.⁴

16. *Spotify* is a digital music, podcast, and video service that gives users access to millions of songs and other content from creators all over the world.

17. *YouTube* is the largest streaming video website in the United States with over 235 million users.⁵

18. The size and placement of Digital Notices is important to the effectiveness of the Digital Notices. On the *Google Display Network, Yahoo Audience Network, Facebook, and Instagram*, the Digital Notices appeared in the following size formats:

Google Display Network and Yahoo Audience Network

- Half-Page Digital Banner Notice: 300x600 – A top performing ad size. Although half-page ads do not use half of the page, this is a larger ad size that performs well in communicating information.
- Billboard Digital Banner Notice: 970x250 – This is a large horizontal ad size that stands out at the top of website pages.
- Leaderboard Digital Banner Notice: 728x90 – This is often a top performing ad size. This ad size can often appear in prime positions on websites, like at the top of a website page.
- Medium Digital Banner Notice: 300x250 – Due to its smaller size this ad unit can be placed within the text of articles and other content.

Statista, founded in 2007, is a leading provider of worldwide market and consumer data and is trusted by thousands of companies around the world for data. Statista.com consolidates statistical data on over 80,000 topics from more than 22,500 sources and makes it available in German, English, French and Spanish.

⁵ Statista Digital 2023: Global Overview Report.

Facebook and Instagram

- Newsfeed – The size of this ad allows the ad to appear directly in user’s *Facebook* and/or *Instagram* account feeds among the posts.
- Right-Hand Column (*Facebook* only) – These ads are a desktop-only format. The ads appear most commonly in the right-hand column of *Facebook* pages.

19. Audio advertisements were placed on *Spotify*. 30-second audio ads ran in between songs, podcasts, and playlists.

20. Video ads were displayed, which provided an easy and accessible way for individuals to learn about the lawsuit and be directed to the Settlement Website for more information. *YouTube* featured a 30-second skippable Video Notice as part of the Settlement Notice.

21. The Digital Notices were distributed to a variety of target audiences, including those relevant to individuals’ demonstrated interests and/or likes. All Digital Notices appeared on desktop, mobile, and tablet devices. Digital Notices on *Google Display Network*, *Yahoo Audience Network*, *Facebook*, *Instagram*, *Spotify*, and *You Tube* were displayed nationwide to reach Settlement Class Members. Digital Notices were also targeted (remarketed) to people who clicked on a Digital Notice.

22. More details regarding the target audiences, distribution, specific ad sizes of the Digital Banner Notices, and the number of planned impressions are included in the following table.

<i>Network/Property</i>	<i>Target</i>	<i>Language</i>	<i>Ad Size</i>	<i>Delivered Impressions</i>

23. Combined, more than 826 million impressions were generated by the Digital Notices, which were displayed nationwide. The Digital Notices ran from December 4, 2023, through January 28, 2024.⁶ Clicking on the Digital Notices linked the readers to the Settlement Website, where they could easily obtain detailed information about the Settlement. Examples of the Digital Notices are included as **Attachment 2**.

Sponsored Search Listings

24. To facilitate locating the Settlement Website, sponsored search listings were acquired on the three most frequently visited internet search engines: *Google*, *Yahoo!* and *Bing*. When search engine visitors searched on selected common keyword combinations related to the Settlement, the sponsored search listing created for the Settlement was displayed at the top of the visitor's website page prior to the search results or in the upper right-hand column of the web-browser screen. The sponsored search listings were targeted nationwide. All sponsored search listings linked directly to the Settlement Website.

25. The sponsored search listings ran from December 4, 2023, through January 28, 2024.

⁶ The third-party ad management platform, ClickCease, was used to audit Digital Banner Notice ad placements. This type of platform tracks all Digital Banner Notice ad clicks to provide real-time ad monitoring, fraud traffic analysis, blocks clicks from fraudulent sources, and quarantines dangerous IP addresses. This helps reduce wasted, fraudulent or otherwise invalid traffic (*e.g.*, ads being seen by 'bots' or non-humans, ads not being viewable, etc.).

1 The sponsored listings were displayed 146,456 times, which resulted in 6,484 clicks that displayed
2 the Settlement Website. A complete list of the sponsored search keyword combinations is included
3 as **Attachment 3**. Examples of the sponsored search listing as displayed on each search engine are
4 included as **Attachment 4**.

5 *Informational Release*

6 26. To build additional reach and extend exposures, on December 4, 2023, a party-neutral
7 Informational Release was issued nationwide over *PR Newswire's US1 and Hispanic newslines in*
8 *English and Spanish* to approximately 5,000 general media (print and broadcast) outlets, including
9 local and national newspapers, magazines, national wire services, television and radio broadcast
10 media across the United States as well as approximately 4,500 websites, online databases, internet
11 networks, and social networking media.

12 27. The Informational Release included the address of the Settlement Website and the toll-
13 free telephone number. The Informational Release served a valuable role by providing additional
14 notice exposures beyond that which was provided by the paid media. The Informational Release (in
15 English and Spanish) is included as **Attachment 5**.

16 *Settlement Website*

17 28. On December 1, 2023, Epiq established a dedicated website for the Settlement with
18 an easy to remember domain name (www.GoogleLocationHistorySettlement.com) in both English
19 and Spanish. The Settlement Website contains relevant documents and information including, the
20 Class Notice, Complaint, Settlement Agreement, proposals submitted by potential *Cy Pres* recipients,
21 Preliminary Approval Order, and the Motion for Attorneys' Fees and Expenses Award and Service
22 Awards. In addition, the Settlement Website includes answers to frequently asked questions
23 ("FAQs"), instructions for how Settlement Class Members could opt-out (request exclusion) or
24 object, contact information for the Settlement Administrator, and how to obtain other case-related
25 information. The Settlement Website address was prominently displayed in all notice documents.
26 As of March 20, 2024, there have been 110,546 unique visitor sessions to the case website, and
27 128,353 web pages have been presented. The Long Form Notice in English is included as
28

Attachment 6. The Long Form Notice in Spanish is included as **Attachment 7.**

Toll-free Telephone Number and Postal Mailing Address

29. A toll-free telephone number (1-877-673-2191) was established and continues to be available to Settlement Class Members in both English and Spanish. Callers are able to hear an introductory message and have the option to learn more about the Settlement in the form of recorded answers to FAQs. Callers also have an option to request a Long Form Notice by mail. The toll-free telephone number was prominently displayed in all notice documents. The automated telephone system is available 24 hours per day, 7 days per week. As of March 20, 2024, there have been 36 calls to the toll-free telephone number, representing 57 minutes of use, and service agents had handled two incoming calls and two outgoing calls representing six minutes of use.

30. A postal mailing address and email addresses were established, allowing Settlement Class Members the opportunity to request additional information or ask questions.

PLAIN LANGUAGE NOTICE DESIGN

31. The Notices were designed to be “noticed,” reviewed, and—by presenting the information in plain language—to be understood by Settlement Class Members. The design of the Notices followed the principles embodied in the Federal Judicial Center’s (“FJC”) illustrative “model” notices posted at www.fjc.gov. Many courts, and the FJC itself, have approved notices that we have written and designed in a similar fashion. The Notices also conformed to the requirements for notice content set forth in the N.D. Cal. Procedural Guidance for Class Action Settlements. The Notices contained substantial, albeit easy-to-read summaries of all key information about the Settlement and the rights of Settlement Class Members including the ability to opt-out or object, and the deadlines to do so. Consistent with our normal practice, all notice documents underwent a final edit prior to actual mailing and publication for grammatical errors and accuracy.

Requests for Exclusion

32. The deadline to request exclusion from the Settlement or to object to the Settlement was March 4, 2024. As of March 20, 2024, Epiq has received nine valid requests for exclusion. The Exclusion Report is included as **Attachment 8.** As of March 20, 2024, I am aware of one objection

to the Settlement, filed by three objectors (Dkt. 354), and a related Court filing (Dkt. 355). The objection is regarding the payment terms of the Settlement providing for distributing the Settlement Fund to Approved Cy Pres Recipients in lieu of a claims process to allow Settlement Class Members to file a claim form and receive a payment from the Settlement Fund. The objection and related Court filing do not address anything regarding notice or settlement administration.

Costs of Notice and Settlement Administration

33. As of March 20, 2024, Epiq has invoiced \$531,107.58, to implement the Notice Plan and handle the settlement administration to date. The estimated additional cost that will be incurred following the Final Approval Hearing to complete the settlement administration is \$58,103.42. Epiq has agreed to cap all costs at \$589,211.00. All costs are subject to the Service Contract under which Epiq is retained as the Settlement Administrator, and the terms and conditions of that agreement.

Possible Costs Associated with Re-Noticing and Adding a Claims Process

34. The Parties have requested estimates from Epiq regarding the possible costs associated with re-noticing the Settlement Class with an identical Notice Plan as previously implemented and detailed above, and administering a claims and distribution process.

35. The combined, additional cost to implement an identical Notice Plan and handle settlement administration, including claims processing and payments is estimated to be between \$1.9 million and \$8.2 million presuming a range of 2.5 million and 17 million claims filed. The following is the combined cost estimate for noticing and settlement administration associated with three hypothetical claim volumes.

- 2.5 million claims received is estimated to cost approximately \$1.9 million;
- 7.5 million claims received is estimated to cost approximately \$4 million; and
- 17 million claims received is estimated to cost approximately \$8.2 million.

36. The actual total cost for providing settlement administration is dependent upon variables such as the number of claims filed, number of calls to the toll-free telephone line, number of Settlement Class Members sent a payment (and specifically, how many Settlement Class Members are sent a digital payment versus a check), etc. In an effort to contain costs, digital payment options

would be encouraged. Only claimants for whom a digital payment is not practical will receive a paper check. All costs would be subject to the Service Contract under which Epiq is retained as the Settlement Administrator, and the terms and conditions of that agreement.

37. Given the size and nature of the Settlement Class, in Epiq's experience, attempted fraudulent claim filing would be expected for this Settlement. The combined cost estimates include using EpiqShield™ to prevent, detect, and provide in-depth analysis regarding possible fraudulent claims. EpiqShield™ uses numerous anti-fraud measures, extensive technology, and information security resources, including digital footprint monitoring and secure banking solutions. These internal tools serve to detect and prevent fraud attempts perpetuated by bots. Epiq is also able to address smaller-scale fraud from individual bad actors seeking to falsify claim information.

CONCLUSION

38. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution and by federal and local rules and statutes pertaining to notice. This framework directs that the notice plan be optimized to reach the class, and to provide class members with easy access to the details of how the class action may impact their rights. All these requirements were met in this case.

39. The Notice Plan reached approximately 80% of the Settlement Class with digital/internet notice and social media. The reach was enhanced further by internet sponsored search listings, an informational release, and a Settlement Website, which were not included in the reach calculation. The Notice Plan was targeted nationwide to reach Settlement Class Members. The FJC's *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide*, which is relied upon for federal cases, states that, "the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%."⁷ Here, we have developed and implemented a Notice Plan

⁷ FED. JUDICIAL CTR, JUDGES' CLASS ACTION NOTICE AND CLAIMS PROCESS CHECKLIST AND PLAIN LANGUAGE GUIDE 3 (2010), available at <https://www.fjc.gov/content/judges-class-action-notice-and-claims-process-checklist-and-plain-language-guide-0>.

1 that readily achieved a reach within that standard.

2 40. In my opinion, the Notice Plan followed the guidance for how to satisfy due process
3 obligations that a notice expert gleans from the United States Supreme Court's seminal decisions,
4 which are: a) to endeavor to actually inform the class, and b) to demonstrate that notice is reasonably
5 calculated to do so.

6 a) "But when notice is a person's due, process which is a mere gesture is not
7 due process. The means employed must be such as one desirous of
8 actually informing the absentee might reasonably adopt to accomplish it,"
Mullane v. Central Hanover Trust, 339 U.S. 306, 315 (1950).

9 b) "[N]otice must be reasonably calculated, under all the circumstances, to
10 apprise interested parties of the pendency of the action and afford them
11 an opportunity to present their objections," *Eisen v. Carlisle & Jacquelin*,
417 U.S. 156 (1974) citing *Mullane* at 314.

12 41. The Notice Plan provided the best notice practicable under the circumstances of this
13 case, conformed to all aspects of Federal Rule of Civil Procedure 23 regarding notice as well as the
14 N.D. Cal. Procedural Guidance for Class Action Settlements, comported with the guidance for
15 effective notice articulated in the Manual for Complex Litigation 4th Ed and FJC guidance, and met
16 the requirements of due process, including its "desire to actually inform" requirement.

17 42. The Notice Plan schedule afforded enough time to provide full and proper notice to
18 Settlement Class before the opt-out and objection deadlines. Settlement Class Members were provided
19 with at least 35 days from the notice completion date until the opt-out deadline.⁸

20 I declare under penalty of perjury that the foregoing is true and correct. Executed on March
21 25, 2024.

All persons residing in the United States who used one or more mobile devices and whose Location Information was stored by Google while ‘Location History’ was disabled at any time during the Class Period (January 1, 2014 through December 4, 2023), a proposed settlement may affect you.

NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION

A federal court authorized this Notice. You are not being sued. This is not a solicitation from a lawyer.

A proposed settlement has been reached (the “Settlement”¹) of a set of related class action lawsuits against Defendant Google LLC (“Google” or “Defendant”) that were consolidated into a single lawsuit. **You are included in this Settlement, and your rights may be affected by this Settlement, if you are a Settlement Class Member, which is defined as “All natural persons residing in the United States who used one or more mobile devices and whose Location Information was stored by Google while ‘Location History’ was disabled at any time during the Class Period (January 1, 2014 through December 4, 2023).”**

In the consolidated lawsuit, plaintiffs allege that Google collected and stored their Location Information without their consent while Location History was disabled. The Settlement resolves the legal claims in the consolidated lawsuit against Google. Google denies all the legal claims in the lawsuit, and by agreeing to the Settlement does not admit to any wrongdoing.

No money will be paid directly to Settlement Class Members.

Under the Settlement, Google will pay \$62 million into a Settlement Fund that will be used to fund payments to one or more independent non-profit 501(c)(3) organizations with a track record of addressing privacy concerns on the internet (either directly or through grants), as well as an award of reasonable attorneys’ fees and costs, service awards for class representatives, notice and administration costs related to the Settlement, and taxes. Google also will revise certain practices and disclosures related to the collection of Location Information.

This Notice summarizes the proposed Settlement and your legal rights. For the precise terms of the Settlement, please see the Settlement Agreement available at www.GoogleLocationHistorySettlement.com.

This Notice explains important legal rights you may have. If you are a Settlement Class Member, your legal rights will be affected regardless of whether you do or do not act. The following rights and options—and the deadlines to exercise them—are explained in this Notice.

BASIC INFORMATION**1. Why was this Notice issued?**

A federal court authorized this Notice because you have a right to know about the proposed Settlement of this class action lawsuit and about all your options before the Court decides whether to grant final approval of the Settlement. This Notice explains the lawsuit, your legal rights, and the proposed settlement.

Judge Edward J. Davila of the United States District Court for the Northern District of California is overseeing the consolidated lawsuit, which are called *In re: Google Location History Litigation*, 5:18-cv-05062-EJD (N.D. Cal.). The people that pursued this consolidated action are called the "Plaintiffs" and the company they sued, Google, is called the "Defendant."

2. What is this lawsuit about?

This consolidated lawsuit alleges that the Defendant stored Location Information from persons residing in the United States who used one or more mobile devices while “Location History” was disabled between January 1, 2014 and December 4, 2023.

During the Class Period (between January 1, 2014 and December 4, 2023), “Location History” was a Google Account setting that was off by default. In this consolidated lawsuit, Plaintiffs allege that users who disabled, or did not enable, the Location History setting did not consent to Google’s storage of any Location Information about them.

For purposes of this settlement, the term Location Information refers to any data used to identify a user or device and a place in the world at a point in time by use of GPS coordinate monitoring technology, IP address, cell tower data, wireless internet access points (Wi-Fi data), or Bluetooth data.

The Defendant expressly denies any liability or wrongdoing with respect to the Plaintiffs’ allegations.

3. What is a class action?

In a class action, one or more individuals sue on behalf of other people with similar legal claims. Together, the people included in the class action are called a class or class members. One court resolves the lawsuit for all class members, except for those who exclude themselves from a settlement. In this Settlement, the Settlement Class Representatives are Napoleon Patacsil, Michael Childs, and Noe Gamboa.

4. Why is there a Settlement?

The Court did not decide in favor of Plaintiffs or Google. Google denies all claims that it violated any law. Settlements avoid the costs and uncertainty of a trial and appeals. The Settlement Class Representatives and their attorneys think the Settlement is best for all Settlement Class Members.

WHO IS IN THE SETTLEMENT?

5. How do I know if I am part of the Settlement?

You are part of the Settlement if you are in the Settlement Class. The Court decided that the Settlement Class includes “All natural persons residing in the United States who used one or more mobile devices and whose Location Information was stored by Google while ‘Location History’ was disabled at any time during the Class Period (January 1, 2014 through December 4, 2023).”

6. Are there exceptions to being included?

Yes. The Settlement Class does not include: (a) all persons who are directors, officers, employees, or agents of Google or its subsidiaries and affiliated companies; (b) the Court, the Court’s immediate family, and Court staff, as well as any appellate court to which this matter is ever assigned, and its immediate family and staff; and (c) eligible persons who submit a timely and valid Request for Exclusion from the Settlement Class.

If you are not sure whether you are included in the Settlement Class, or have any other questions

THE SETTLEMENT BENEFITS

7. What does the Settlement provide?

The Settlement Fund will be used to pay the cost of settlement notice and administration, any Attorneys' Fees and Expenses Award, any Service Awards, and taxes. The amount remaining after these items are paid (the "Net Settlement Fund"), will be paid to one or more independent non-profit 501(c)(3) organizations with a track record of addressing privacy concerns on the internet (either directly or through grants) (the "Approved Cy Pres Recipients"). The parties have nominated the following non-profit organizations to the Court thus far:

- The American Civil Liberties Union Foundation of Northern California (Technology and Civil Liberties Program)
- Berkman Klein Center for Internet & Society at Harvard University

The proposal from each of the proposed non-profit 501(c)(3) organizations describing how it would use money from the Settlement will be made available on the Settlement Website, at www.GoogleLocationHistorySettlement.com. Any additional, new, or updated proposals for cy pres funding from these or any other organizations will be posted on the Settlement Website.

The Court will decide which non-profit 501(c)(3) organization or organizations will receive the money. No money will be provided until approved by the Court at the Final Approval Hearing, and after the time for any appeals has passed or any such appeals have been decided in favor of the settlement.

Google has agreed to make certain disclosures regarding its practices with respect to Location Information, notify users in the event it makes certain changes with respect to its practices regarding Location Information, and refrain from making certain types of changes to its current practices and policies regarding Location Information. For more information on the non-financial consideration for the Settlement, you may view the Non-Monetary Terms set forth in Exhibit C to the Settlement Agreement at www.GoogleLocationHistorySettlement.com.

Questions? Call 1-877-673-2191 or visit www.GoogleLocationHistorySettlement.com

8. How will the Cy Pres Recipients use the Settlement money?

Detailed proposals from each Proposed Cy Pres recipient regarding how they would use funds awarded by the Court will be made available on the Settlement Website at www.GoogleLocationHistorySettlement.com.

Each Approved Cy Pres Recipient must agree that, as a condition of receiving any portion of the Settlement Fund, they shall provide a specific proposal demonstrating and committing to use the funds to promote the protection of internet privacy. As another condition of receiving any portion of the Settlement Fund, each Approved Cy Pres Recipient shall agree to provide a report to the Court and the parties every six months informing the Court and the parties of how any portion of the Settlement Fund allocated to the recipient has been used and how remaining funds are intended to be used. Such reports will be posted on the Settlement Website at www.GoogleLocationHistorySettlement.com.

9. Can I receive any money from the Settlement?

No, the Plaintiffs and Google have agreed to a Settlement that provides for the Net Settlement Fund to be paid to one or more independent non-profit 501(c)(3) organizations with a track record of addressing privacy concerns on the internet (either directly or through grants) (the “Approved Cy Pres Recipients”).

10. What are the Released Claims?

If you do not exclude yourself from the Settlement Class, you will be releasing all your legal claims relating to the allegations and legal theories in the consolidated lawsuit, which allege that Google improperly collected, used, or disclosed data relating to the location of mobile devices. You may view the entire Complaint on the Settlement Website at www.GoogleLocationHistorySettlement.com.

The claims you are giving up are called “Released Claims,” and they are defined in paragraph 52 of the Settlement Agreement www.GoogleLocationHistorySettlement.com. When the Settlement becomes final, you (and anyone claiming through you, or acting or purporting to act on your behalf, such as your heirs, estates, trustees, principals, beneficiaries, parents, guardians, executors, administrators, representatives, agents, attorneys, partners, successors, predecessors-in-interest, and assigns) will be releasing the Released Claims against Google, Google’s parent companies, their respective officers, directors, employees, members, agents, attorneys, administrators, representatives, insurers, beneficiaries, trustees, shareholders, investors, contractors, joint venturers, predecessors, successors, assigns, transferees, and all other individuals and entities acting on Google’s behalf in connection with the Released Claims.

By releasing your legal claims, you are giving up the right to file lawsuits against, or seek further compensation from, Google and the affiliated entities listed above based on those claims—whether or not you are currently aware of those claims. That means you will be bound to the terms of the Settlement and accompanying Court order, and cannot bring a lawsuit, or be part of another lawsuit against Google or the other entities listed in the paragraph above regarding the Released Claims. The “Releases and Dismissal of Action” section in the Settlement Agreement provides more detail regarding the legal claims that you give up if you remain in the Settlement Class. You can review the entire Settlement Agreement at www.GoogleLocationHistorySettlement.com.

Questions? Call 1-877-673-2191 or visit www.GoogleLocationHistorySettlement.com

THE LAWYERS REPRESENTING YOU

11. Do I have a lawyer in the case?

Yes. The Court has appointed Tina Wolfson of Ahdoot & Wolfson, PC and Michael W. Sobol of Lieff Cabraser Heimann & Bernstein, LLP to represent the Settlement Class as Lead Class Counsel. You will not be charged for their services. If you have any questions about the case, you may call 1-877-673-2191, or email info@googlelocationhistorysettlement.com.

12. Should I get my own lawyer?

You do not need to hire your own lawyer because Lead Class Counsel works for you. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

Lead Class Counsel will ask the Court for an Attorneys' Fees and Expenses Award, consisting of an award of attorneys' fees not to exceed 30% of the Settlement Fund, and costs not to exceed \$155,000. They will also ask the Court to approve a Service Award for each of the Settlement Class Representatives not to exceed \$5,000 each. Google has the right to oppose Lead Class Counsel's request for fees, reimbursement of costs, and Service Awards, and Settlement Class Members have the right to object. The Court may award less than these amounts. If approved, these fees, costs and awards will be paid from the Settlement Fund.

EXCLUDING YOURSELF FROM THE SETTLEMENT

14. How do I exclude myself from the Settlement?

If you want to keep your right, if any, to separately sue Google about the legal issues in this consolidated lawsuit, you must take steps to exclude yourself from the Settlement Class. The deadline for requesting exclusion from the Settlement is March 4, 2024.

To exclude yourself from the Settlement, you must submit a completed and signed Request for Exclusion by email to exclusions@googlelocationhistorysettlement.com or by U.S. mail at the below address. If you submit your Request for Exclusion by email to the Settlement Administrator, the Request for Exclusion **must be attached as an attachment to the email and must contain your physical signature**. If submitted by email, the Request for Exclusion must be submitted no later than 11:59 p.m. PST on or before March 4, 2024.

If submitted by U.S. mail, the Request for Exclusion must be **postmarked** no later than March 4, 2024.

COMMENTING ON OR OBJECTING TO THE SETTLEMENT

15. How do I tell the Court if I do not like the Settlement?

If you are a Settlement Class Member, you can object to the approval of the Settlement, the request for Attorneys' Fees and Expenses, and/or the request for Class Representative Service Awards. You can give reasons why you think the Court should not approve the Settlement. The Court will consider your views.

You can ask the Court to deny approval of the Settlement by filing an objection. You can't ask the Court to order a different settlement; the Court can only approve or deny the Settlement. If the Court denies approval, no Settlement payments will be made to any of the one or more selected independent non-profit 501(c)(3) organizations with a track record of addressing privacy concerns on the internet (the Approved Cy Pres Recipients), Google will not be obligated by the Settlement to make any changes to its practices and disclosures related to the collection of Location Information, and the lawsuit will continue.

Your objection must include:

- 1) the case name and number: *In re: Google Location History Litigation.*, 5:18-cv-05062-EJD (N.D. Cal.);
- 2) your name, address, and email address as the objector;
- 3) the email address(es) associated with the Google account(s) (if any) of the objector
- 4) your physical signature as the objector;
- 5) a statement that you as the objector are a natural person who resided in the United States and used one or more mobile devices while "Location History" was disabled at any time during the Class Period (January 1, 2014 through the December 4, 2023);
- 6) a statement of whether the objection applies only to the objector, a subset of the Settlement Class, or the entire Settlement Class;
- 7) a statement of the specific grounds for the objection, including any legal and factual support and any evidence in support of the objection; and
- 8) a statement of whether you (the objecting Settlement Class Member) intend to appear at the Final Approval Hearing, and if so, whether personally or through your own lawyer.

All objections from Settlement Class Members regarding the proposed Settlement must be submitted in writing to the Court either by mailing them to the Class Action Clerk, United States District Court for the Northern District of California; or by filing them electronically or in person at any location of the United States District Court for the Northern District of California, and they must be **filed or postmarked** on or before March 4, 2024.

**Class Action Clerk
United States District Court for the Northern District of California
280 South 1st Street
San Jose, California 95113**

You or your lawyer may be permitted to speak at the Final Approval Hearing about your objection. To do so, you must include a statement in your objection indicating that you or your lawyer intend to appear at the Final Approval Hearing, as well as a detailed description of any evidence you may offer at the Final Approval Hearing and copies of any exhibits you may introduce at the Final Approval Hearing.

16. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like something about the Settlement. You can object to the Settlement only if you do not exclude yourself from the Settlement. Excluding yourself from the Settlement is stating to the Court that you do not want to be part of the Settlement Class or the Settlement. If you exclude yourself from the Settlement, you cannot object to it because it no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

17. When is the Court's Final Approval Hearing?

The Court has scheduled a Final Approval Hearing at **9 a.m. PST on April 18, 2024**. If the hearing proceeds **in person**, it will be held at the San Jose Courthouse, Courtroom 4—5th Floor, 280 South 1st Street, San Jose, CA 95113.

At the Final Approval Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court will also consider whether to approve Lead Class Counsel's request for an award of attorneys' fees and expenses, as well as the Settlement Class Representatives' Service Awards. If there are objections, the Court will consider them. Judge Davila will listen to people who have asked to speak at the hearing (see Question 15 above). After the hearing, the Court will decide whether to approve the Settlement.

The date or time of the Final Approval Hearing may change. Please check the Settlement Website, www.GoogleLocationHistorySettlement.com, or the Court's PACER site to confirm that the date has not been changed. You may also visit these websites for any updates, and to find out whether the Final Approval Hearing will be held in person or by video conference.

18. Do I have to attend the Final Approval Hearing?

No. Lead Class Counsel will answer any questions the Court may have. You may attend at your own expense if you wish. If you submit an objection, you do not have to attend the Final Approval Hearing to talk about it. If you submit your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but such attendance is not necessary for the Court to consider an objection that was filed on time.

IF I DO NOTHING

19. What happens if I do nothing at all?

If you are a Settlement Class Member and you do nothing, you will give up the rights explained **Questions? Call 1-877-673-2191 or visit www.GoogleLocationHistorySettlement.com**

in Question 10, including your right to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against Google and the Released Parties about the legal issues resolved by this Settlement.

Google también revisará ciertas prácticas y divulgaciones relacionadas con la recopilación de Información de ubicación.

INFORMACIÓN BÁSICA

1. ¿Por qué se emitió este Aviso?

Un tribunal federal autorizó este Aviso porque usted tiene el derecho de conocer la Conciliación propuesta en esta demanda colectiva y todas sus opciones antes de que el Tribunal decida si dará la aprobación final de la Conciliación. Este Aviso explica la demanda, sus derechos legales y la conciliación propuesta.

El juez Edward J. Davila del Tribunal de Distrito de los Estados Unidos para el Distrito Norte de California está a cargo de la demanda colectiva, que se conoce como *In re: Google Location History Litigation*, 5:18-cv-05062-EJD (N.D. Cal.). Las personas que presentaron esta acción consolidada se conocen como “Demandantes” y la compañía a la que demandaron, Google, se conoce como el “Demandado”.

2. ¿De qué trata esta demanda?

Esta demanda consolidada alega que el Demandado almacenó Información de ubicación de personas que residen en los Estados Unidos que utilizaron uno o más dispositivos móviles mientras el “Historial de ubicaciones” estaba deshabilitado entre el 1.º de enero de 2014 y el 4 de diciembre de 2023.

Durante el Período de la demanda colectiva (entre el 1.º de enero de 2014 y el 4 de diciembre de 2023), el “Historial de ubicaciones” era una configuración de la Cuenta de Google que estaba desactivada de forma predeterminada. En esta demanda consolidada, los Demandantes alegan que los usuarios que deshabilitaron, o no habilitaron, la configuración del Historial de ubicaciones no otorgaron su consentimiento para que Google almacene ninguna Información de ubicación sobre ellos.

A los fines de esta conciliación, el término Información de ubicación se refiere a cualquier dato utilizado para identificar un usuario o dispositivo, y un lugar en el mundo en un momento determinado mediante el uso de tecnología de monitoreo de coordenadas GPS, dirección IP, datos de torres celulares, puntos de acceso inalámbrico a Internet (datos Wi-Fi) o datos Bluetooth.

El Demandado niega expresamente cualquier responsabilidad o acto ilícito con respecto a las alegaciones de los Demandantes.

3. ¿Qué es una demanda colectiva?

En una demanda colectiva, una o más personas demandan en nombre de otras personas que tienen reclamaciones legales similares. Juntas, las personas incluidas en la demanda colectiva se denominan un “Grupo de demandantes” o los “Miembros del Grupo de Demandantes”. Un Tribunal resuelve la demanda para todos los Miembros del Grupo de Demandantes, excepto para las personas que se excluyan de una conciliación. En esta Conciliación, los Representantes del Grupo de Demandantes de la Conciliación son Napoleon Patacsil, Michael Childs y Noe Gamboa.

4. ¿Por qué existe un Acuerdo de Conciliación?

El Tribunal no falló a favor de los Demandantes ni de Google. Google niega todas las reclamaciones de haber infringido alguna ley. Mediante las conciliaciones, se evitan los costos y la incertidumbre de un juicio y las apelaciones. Los Representantes del Grupo de Demandantes de la Conciliación y

Cada Beneficiario aprobado de Cy Pres debe aceptar que, como condición para recibir cualquier parte del Fondo de la Conciliación, deberá proporcionar una propuesta específica en la que demuestre y se comprometa a usar los fondos para promover la protección de la privacidad en Internet. Como otra condición para recibir cualquier parte del Fondo de la Conciliación, cada Beneficiario aprobado de Cy Pres aceptará proporcionar un informe al Tribunal y a las partes cada seis meses para informar al Tribunal y a las partes sobre cómo se ha utilizado cualquier parte del Fondo de la Conciliación asignado al beneficiario, y cómo se pretende utilizar los fondos restantes. Dichos informes se publicarán en el Sitio web de la Conciliación en www.GoogleLocationHistorySettlement.com.

9. ¿Puedo recibir algún dinero de la Conciliación?

antecedentes de abordar inquietudes de privacidad en Internet (ya sea directamente o a través de subvenciones) (los “Beneficiarios aprobados de Cy Pres”).

10. ¿Cuáles son las Reclamaciones liberadas?

Si no se excluye del Grupo de Demandantes de la Conciliación, usted liberará todas sus reclamaciones legales relacionadas con las acusaciones y teorías legales en la demanda consolidada, que alegan que Google recopiló, utilizó o divulgó indebidamente datos relacionados con la ubicación de dispositivos móviles. Puede ver toda la Demanda en el Sitio web de la Conciliación en www.GoogleLocationHistorySettlement.com.

Las reclamaciones a las que renuncia se denominan “Reclamaciones liberadas” y se definen en el párrafo 52 del Acuerdo de Conciliación. www.GoogleLocationHistorySettlement.com. Cuando la Conciliación sea definitiva, usted (y cualquier persona que reclame a través de usted, o que actúe o pretenda actuar en su nombre, como sus herederos, administradores de patrimonios, fideicomisarios, mandantes, beneficiarios, padres, tutores, albaceas, administradores, representantes, agentes, abogados, socios, sucesores, predecesores en interés, y cesionarios) liberará las Reclamaciones liberadas contra Google, las compañías matrices de Google, sus respectivos ejecutivos, directores, empleados, miembros, agentes, abogados, administradores, representantes, aseguradoras, beneficiarios, fideicomisarios, accionistas, inversionistas, contratistas, empresas conjuntas, predecesores, sucesores, cesionarios, receptores, y todas las demás personas y entidades que actúen en nombre de Google en relación con las Reclamaciones liberadas.

Al liberar sus reclamaciones legales, usted renuncia al derecho de presentar demandas contra Google y las entidades afiliadas mencionadas anteriormente, o de solicitar una compensación adicional de parte de estas, en función de dichas reclamaciones, independientemente de si actualmente tiene conocimiento de dichas reclamaciones o no. Eso significa que estará obligado a cumplir con los términos de la Conciliación y la orden del Tribunal adjunta, y no podrá entablar una demanda ni ser parte de otra demanda contra Google o las otras entidades enumeradas en el párrafo anterior con respecto a las Reclamaciones liberadas. La sección “Liberaciones y desestimación de la acción” del Acuerdo de Conciliación proporciona más detalles sobre las reclamaciones legales a las que usted renuncia si permanece en el Grupo de Demandantes de la Conciliación. Puede revisar todo el Acuerdo de Conciliación en www.GoogleLocationHistorySettlement.com.

CÓMO COMENTAR U OBJETAR LA CONCILIACIÓN

15. ¿Cómo le hago saber al Tribunal que no estoy conforme con la Conciliación?

Si usted es un Miembro del Grupo de Demandantes de la Conciliación, puede objetar la aprobación de la Conciliación, la solicitud de honorarios y gastos de abogados, y/o la solicitud de Adjudicaciones por servicios para el Representante del Grupo de Demandantes. Puede exponer las razones por las cuales cree que el Tribunal no debe aprobar la Conciliación. El Tribunal considerará sus opiniones.

Usted puede solicitarle al Tribunal que rechace la aprobación de la Conciliación si presenta una objeción. No puede pedirle al Tribunal que ordene una conciliación diferente; el Tribunal solo puede aprobar o rechazar la Conciliación. Si el Tribunal rechaza la aprobación, no se realizarán pagos de la Conciliación a ninguna de las organizaciones independientes sin fines de lucro 501(c)(3) seleccionadas con antecedentes de abordar inquietudes de privacidad en Internet (los Beneficiarios aprobados de Cy Pres), Google no estará obligada por la Conciliación a realizar ningún cambio en sus prácticas y divulgaciones relacionadas con la recopilación de Información de ubicación, y la demanda continuará.

Su objeción debe incluir:

- 1) el nombre y número de caso; *In re: Google Location History Litigation.*, 5:18-cv-05062-EJD (N.D. Cal.);
- 2) su nombre, dirección y dirección de correo electrónico como objetor;
- 3) las direcciones de correo electrónico asociadas con las cuentas de Google (si hubiera) del objetor;

- 6) una declaración con respecto a si su objeción se aplica únicamente al objetor, a un subgrupo del Grupo de Demandantes de la Conciliación, o a todo el Grupo de Demandantes de la Conciliación;
- 7) una declaración de los fundamentos específicos de la objeción, incluido cualquier respaldo legal y fáctico, y cualquier evidencia que respalde la objeción; y
- 8) una declaración con respecto a si usted (o el Miembro del Grupo de Demandantes de la Conciliación objetante) pretende comparecer en la Audiencia de aprobación definitiva y, de ser así, si lo hará en persona o por medio de su propio abogado.

Todas las objeciones de los Miembros del Grupo de Demandantes de la Conciliación con respecto a la Conciliación propuesta deben presentarse por escrito al Tribunal, ya sea enviándolas por correo postal al Secretario de la demanda colectiva del Tribunal de Distrito de los Estados Unidos para el Distrito Norte de California; o presentándolas electrónicamente o en persona en cualquier ubicación del Tribunal de Distrito de los Estados Unidos para el Distrito Norte de California, y deben **presentarse o tener fecha de franqueo postal** a más tardar el 4 de marzo de 2024.

**Class Action Clerk

280 South 1st Street
San Jose, California 95113**

Usted o su abogado pueden tener permitido hablar en la Audiencia de aprobación definitiva acerca de su objeción. Para hacerlo, debe incluir una declaración en su objeción que indique que usted o su abogado tienen la intención de comparecer en la Audiencia de aprobación definitiva, así como una descripción detallada de cualquier evidencia que pueda ofrecer en la Audiencia de aprobación definitiva y copias de cualquier anexo que pueda presentar en la Audiencia de aprobación definitiva.

16. ¿Cuál es la diferencia entre objetar y solicitar ser excluido?

Objetar es decirle al Tribunal que no está de acuerdo con algo sobre la Conciliación. Puede objetar la Conciliación solamente si no se excluye de ella. Al excluirse de la Conciliación, le indica al Tribunal que no desea ser parte del Grupo de Demandantes de la Conciliación o de la Conciliación. Si se excluye de la Conciliación, no puede objetarla porque ya no le afectará.

AUDIENCIA DE APROBACIÓN DEFINITIVA DEL TRIBUNAL

17. ¿Cuándo es la Audiencia de aprobación definitiva del Tribunal?

El Tribunal ha programado una Audiencia de aprobación final a las **9 a. m.** hora del Pacífico el **18 de abril de 2024**. Si la audiencia se lleva a cabo **en persona**, se llevará a cabo en el Tribunal de San Jose, Sala 4, 5.º piso, 280 South 1st Street, San Jose, CA 95113.

En la Audiencia de aprobación definitiva, el Tribunal considerará si la Conciliación propuesta es justa, razonable y adecuada. El Tribunal también considerará si aprueba la solicitud de los Abogados principales del Grupo de Demandantes para la adjudicación de honorarios y gastos de abogados, así como de las Adjudicaciones por servicios para los Representantes del Grupo de Demandantes de la Conciliación. Si existen objeciones, el Tribunal las evaluará. El juez Davila escuchará a las personas que hayan solicitado hablar en la audiencia (consulte la Pregunta 15 anterior). Después de la audiencia, el Tribunal decidirá si aprueba o no la Conciliación.

La fecha u hora de la Audiencia de aprobación definitiva puede cambiar. Consulte el Sitio web de la Conciliación, www.GoogleLocationHistorySettlement.com, o el sitio de Acceso público a los registros electrónicos del Tribunal (Public Access to Court Electronic Records, PACER) del Tribunal para confirmar que la fecha no ha cambiado. También puede visitar estos sitios web para obtener actualizaciones y para averiguar si la Audiencia de aprobación definitiva se llevará a cabo en persona o por videoconferencia.

18. ¿Tengo que asistir a la Audiencia de Aprobación Definitiva?

No. Los Abogados del Grupo de Demandantes principales responderán a todas las preguntas que el Tribunal pueda tener. Usted puede asistir por su cuenta y cargo si lo desea. Si presenta una objeción, no necesitará acudir a la Audiencia de Aprobación definitiva para hablar sobre ello. Siempre que hubiese presentado su objeción por escrito a tiempo, el Tribunal la tendrá en cuenta. También puede pagar su propio abogado para que asista, pero dicha asistencia no es necesaria para que el Tribunal considere una objeción presentada oportunamente.

SI NO HAGO NADA

19. ¿Qué sucede si no hago nada?

Si usted es un Miembro del Grupo de Demandantes de la Conciliación y no hace nada, renunciará a los derechos explicados en la Pregunta 10, incluido su derecho a iniciar una demanda, continuar una demanda o ser parte de cualquier otra demanda contra Google y las Partes liberadas sobre los asuntos legales resueltos por esta Conciliación.
